Purchase, Sale and Use of Product

These terms and conditions (hereinafter “Terms”) govern direct purchases only (placed either digitally or through CSL Seqirus Customer Service) for seasonal influenza vaccines branded as FLUAD® QUADRIVALENT (the “Fluad Product”), AFLURIA® QUADRIVALENT (the “Afluria QIV Product”) and FLUCELVAX® QUADRIVALENT (the “Flucelvax Quadrivalent Product”) (each “Product” and collectively the “Products”) from Seqirus USA Inc. (“CSL Seqirus”).

Customers eligible to purchase Products are at the sole discretion of CSL Seqirus. No customer may resell a Product or market, promote, administer or use a Product for the benefit of persons or entities located outside the United States or its territories, or where it ought reasonably to be aware that the ultimate destination for a Product is outside the United States (or its territories). The pricing, terms and conditions of these Terms shall apply only to customers located in the continental U.S., Alaska and Hawaii; provided that, if a customer is located in a state in which the state (or state agency) has in force or enacts, implements or modifies a law, rule or regulation (such as a state unitary pricing, anti-discount or pricing, rebate or other law intended to impact the pricing of prescription drugs or penalize CSL Seqirus for such pricing) or interpretation thereof and which law (1) prohibits or restricts in any material way the provision of pricing, discounts or rebates described in these Terms, (2) requires CSL Seqirus to provide the same or similar pricing to other purchasers or users of CSL Seqirus’ Products to which CSL Seqirus would not normally provide such pricing or terms or (3) otherwise results in a potentially adverse impact on CSL Seqirus, then such customer shall not be eligible to purchase CSL Seqirus Products hereunder until such law or regulation is repealed.

Product Ordering; Delivery, Modification and Cancellation

Customers may order a Product by creating a direct purchase account online at www.flu360.com or by calling CSL Seqirus Customer Service at (855) 358-8966. A purchase order is not required to purchase a Product hereunder.

Any terms and conditions submitted by Customer as part of a purchase order are hereby rejected and shall not apply to any sale under these Terms.

Unless specified otherwise, all Product purchased hereunder must be in multiples of ten (10) doses, and the minimum number of doses of a Product that must be purchased hereunder is ten (10) doses. Each order submitted by a customer is subject to CSL Seqirus’ confirmation of the customer’s valid state license number and authorizations and the customer’s creditworthiness. Orders are not deemed accepted until confirmed by CSL Seqirus via issuance of shipping notification.

For Product orders confirmed by CSL Seqirus that are placed by **May 24 2024** for the upcoming influenza season, CSL Seqirus will use commercially reasonable efforts to fulfill orders as product availability allows. CSL Seqirus will consider, but is under no obligation, to consider special shipping requests made by a customer, including, without limitation, any request to deliver Product by a specified date. CSL Seqirus is responsible for obtaining all export and import licenses required to deliver any Product to the specified destination.

CSL Seqirus’ obligation to deliver Product ordered by a customer is subject at all times to any superseding requirement imposed by any governmental authority (including without limitation any requirement imposed in connection with an

influenza epidemic or pandemic), delays in Product lot releases and Product availability, and to the condition that CSL Seqirus is able to manufacture a sufficient supply of Product to meet the demands of all of its customers.

In the event there is a shortage of any CSL Seqirus Product, CSL Seqirus in its sole discretion shall have the right to allocate such Product among its customers in such a manner as it deems appropriate. In addition, in the event that the government assumes control of Product allocation (as a result of a shortage or otherwise) or requires that specific requirements be met, then Product

Effective April 19, 2024

amounts and delivery schedules may be changed to meet the government's requirements, and CSL Seqirus will be relieved (without incurring any liability) of all obligations to supply or deliver Product ordered by any customer.

Payment Terms and Instructions

Upon ordering Product and upon CSL Seqirus sending confirmation of an order as described above, a customer shall have committed to purchase the amount and type of Product specified therein. CSL Seqirus will issue customers an invoice for the product at the time of shipment, and the customer is obligated to remit payment for the product once the Product(s) has shipped, regardless of whether the customer accepts or rejects delivery.

Customers shall be obligated to pay for Product purchased hereunder by the payment due date specified in the invoice delivered by CSL Seqirus with respect to the purchased Product by any method described in such invoice. Allowable payment methods per the invoice are electronic funds transfers from Customer, check and credit cards; provided, however, that CSL Seqirus may in its discretion, at any time prior to payment, require payment by check. CSL Seqirus retains discretion to refuse payment offered through an Internet-based payment facility, mechanism, website, or entity, or through any payment mechanism that requires CSL Seqirus to establish a separate account or log-in, whether operated by Customer, Customer's agent, or a third party. To the extent CSL Seqirus exercises its discretion to accept payment through a payment mechanism referenced above, these Terms shall control in the event that any terms and conditions of participation in such mechanism conflict with these Terms.

Customers will receive a prompt payment discount of two percent (2%) 60, net 61 off the applicable price of Product (exclusive of current federal excise taxes or other taxes levied on vaccine products) for payments received by CSL Seqirus on or before the applicable due date.

Interest will be charged on overdue amounts at a rate equal to the London Interbank Offered Rate (LIBOR) (three months), as reported in The Wall Street Journal (Eastern Edition) Money Rates column, print edition, on the business day immediately following the applicable payment due date, plus five percent (5%) per annum, or, if less, the maximum amount permitted by applicable law, until the date payment is received by CSL Seqirus.

If a customer fails to pay amounts when due hereunder, CSL Seqirus reserves the right to commence any collection proceedings as it deems appropriate, including referring the customer to a third-party collector or commencing litigation.

CSL Seqirus reserves the right to charge fees to those customers associated with the collection process. Fees may be included but not limited to litigation cost, dunning and returned check/ACH/wire transfers or credit decline charges. A customer's account may be closed by CSL Seqirus upon being sent to third party collections. CSL Seqirus reserves the right, in its discretion at any time, to withhold and set-off against amounts that customer owes CSL Seqirus or any of its affiliates any outstanding credits, reimbursements and refunds owed by CSL Seqirus or its affiliates to customer or its affiliates. Customer acknowledges and agrees that it shall not be entitled to receive, and CSL Seqirus and its affiliates may continue to withhold, any credits, reimbursements and refunds owed to customer and its affiliates until such time as customer has paid all outstanding amounts owed for purchases hereunder together with applicable interest and costs of collection. Any dormant or inactive customer accounts that have credit balances more than 2 years old will be subject to the escheatment process. This right of set-off shall survive and continue to apply following the termination or expiration of these terms and the performance delivery of Products hereunder.

CSL Seqirus may, at its discretion, credit a customer's account when a valid transaction was previously processed and the customer either canceled the transaction later or Product was returned upon approval by CSL Seqirus. Notwithstanding the foregoing, this process shall not apply to any Product returned at the conclusion of the influenza season.

For any credit process via credit card payment, it may take up to 30 days for the issuing bank to pass the credit along to the customer. Customer should contact their issuing bank to see what their policy is regarding funds to credit cards.

All claims involving discounts, pricing, credits, or returns must be reported to CSL Seqirus within three (3) months of the date of invoice for the purchase in question. Inappropriate deductions taken from customer payments, including but not limited to those made after this deadline, will be reflected against the account and could jeopardize future shipment on open terms.

Effective April 19, 2024

Credit Terms

All new and existing customer accounts are subject to a credit review. CSL Seqirus may, in its sole discretion, extend credit terms for purchases made by a customer, which credit terms may be changed by CSL Seqirus without prior notification.

Any account that exhibits a poor or delinquent payment history may have credit terms revoked and may, at CSL Seqirus' election, be required to prepay for purchasers and reservations and to provide other reasonable assurances of creditworthiness and payment security, including, among other things, the payment of a deposit or escrow amount, submission of a letter of credit, or a grant of a security interest, as is reasonably requested by CSL Seqirus. Customers that are required to prepay for purchases or otherwise provided payment assurances can be reviewed at the customer's request once a successful payment history has been established. This review process may take a minimum of 6-12 months.

Federal Open Payment Program (Sunshine Act) Requirements

The Federal Open Payment Program (Sunshine Act) (also called the Open Payments Law) requires CSL Seqirus to report the amount of any debt forgiveness owed by a Covered Recipient as a transfer of value and reportable for purposes of the Federal Open Payment Program.

Product Price

The price per unit for each presentation of Product is set at the time of purchase in the account established by a customer and excludes surcharges for shipping (if any), where applicable, and excise or other taxes or assessments.

Each Party agrees and acknowledges that the prices offered under this Agreement and set forth on each purchase invoice reflect discounts as defined in the federal Anti-Kickback Statute and its implementing safe-harbor regulation for discounts (42 C.F.R. § 1001.952(h)). Buyer acknowledges its responsibility under federal law and comparable state laws to properly and accurately account for and report the discounted price in accordance with the requirements of such laws and applicable safe-harbor regulations. Buyer agrees that, upon the request of the U.S. Department of Health and Human Services or a state healthcare agency, it will fully disclose the discounted price offered hereunder. Seqirus acknowledges that it may have a responsibility to appropriately report the discounted price as part of its government price reporting obligations. The Parties agree that pursuant to 42 C.F.R. §1001.952, Seqirus has informed Buyer of its federal statutory and regulatory reporting obligations.

If a customer fails to give such notice, then the customer will be conclusively presumed to have accepted the shipment and CSL Seqirus will have no liability to the customer for any defects that could have been identified by such inspection or for any discrepancies between the shipment received and the amount of Product ordered by the customer. Any defect or damage to the Product that is not identifiable from a physical inspection will remain grounds for rejection of Product if the customer notifies CSL Seqirus' Customer Service via customerservice.us@seqirus.com or (855)-358-8966 within two (2) business days following discovery of the defect or damage. Upon receipt of such notice from a customer, CSL Seqirus will conduct an investigation and if CSL Seqirus agrees with the customer's determination, (i) CSL Seqirus will use reasonable commercial efforts to supply replacement Product to the customer, or if no replacement Product can be supplied, CSL Seqirus will, in its sole discretion, issue a credit note to the customer for the rejected Product; and (ii) the customer must ship the defective or damaged Product in accordance with instructions provided by CSL Seqirus located on www.flu360.com.

If CSL Seqirus, in its sole discretion, determines in good faith that no defect or damage to Product exists, then the customer must accept delivery of such Product and pay the invoiced price for such Product. In the event that CSL Seqirus determines that no
